

MaxSlope

```
graph BT; EndPointSlope --> MaxSlope; LinRegression --> MaxSlope;
```

The diagram illustrates a hierarchical relationship between three concepts. At the top is a box labeled 'MaxSlope'. Below it, a horizontal line connects two boxes: 'EndPointSlope' on the left and 'LinRegression' on the right. A vertical arrow points upwards from the center of this horizontal line to the bottom of the 'MaxSlope' box, indicating that both 'EndPointSlope' and 'LinRegression' are subtypes or components of 'MaxSlope'.

EndPointSlope

LinRegression
