

# Interpolator

```
graph BT; LinInterp --> Interpolator
```

A diagram showing a vertical inheritance relationship. At the top is a rectangular box with a thick black border containing the word "Interpolator" in a large, black, serif font. Below it is another rectangular box, also with a thick black border, containing the word "LinInterp" in the same font. A vertical black line connects the bottom center of the "LinInterp" box to the top center of the "Interpolator" box, ending in a black arrowhead pointing upwards.

## LinInterp
